3. Would you recommend this workshop to friends/neighbors/colleagues?

YES 14

MAYBE 3

NO

4. What was the most valuable information you learned today?

The different conservation incentive and process.

Nice handouts.

General info interesting – most doesn't apply.

Tax incentives in exchange for conservation

Programs available.

Tax info.

Conservation tools/resources

That there are a lot of land protection programs available. Did not learn anything specific, however.

The resources, size and scope.

Conservancy resources for funding.

That these varied programs exist.

What definitely qualifies and what definitely does not qualify for taxation relief.

List of contacts

Tax incentives.

5. Do you think you will change any of your actions as a result of information you have learned today?

Yes, volunteer.

Yes.

No - General info interesting – most doesn't apply.

My property is too small for this program.

We're doing our best to conserve w/o Gov't Intervention.

Not sure.

Not yet.

No.

No – we're already thoroughly involved.

Don't know yet.

Share with others.

Yes. I will recommend the program to a couple of friends.

No.

No – my property wouldn't qualify – too small.

I will be much more apt to promote these programs in course of my work for Conservation District.

No.

6. Do you think you will do anything differently with your property as a result of the information you have learned today? Please explain.

No - General info interesting – most doesn't apply.

No.

Review vegetation for local area.

Maybe.

Try to do more conservation.

Probably not.

No – we're working on keeping it in the conservancy in the original condition.

Maybe.

Perhaps future donation.

Future property, yes.

None.

No.

I will apply for Open Space.

7. As a result of this workshop I plan to:

- Share what I learned with neighbors & friends 13
- Volunteer for stewardship, research or monitoring activities 3 (and 1 *maybe*)
- Reduce or eliminate my use of pesticides and fertilizers 5 (and one *already have done*)
- Change an existing situation that may be damaging the environment 4 (and one comment: *?asphalt?*)

- Plan an improvement on my shoreline property to better protect my property and the environment 6
- Learn more and seek additional information on a topic of interest 12

8. Overall, I would rate the workshop:

AVERAGE 1
GOOD 11
EXCELLENT 6

9. You may contact me with follow-up information or to inform me of future learning opportunities:

10. Do you have any suggestions for improving the workshop?

Have some snacks that don't contain trans-fats (hydrogenated oil).

Primary interest is to 5 plus acres. Good presentation but doesn't apply to small landowners. Thanks.

Programs not geared toward <2 acres w/small areas of habitat that need to be maintained.

No.

Not this workshop, but could there be workshops on private and shared wells/water systems in the future.

More publicity? Thank you.

None - nice to know.

Thank you – GPC representative

No.
